After threadbare discussion on the pros and cons of reduction of Course Fees to the extent of 40% both Teaching & Non-teaching staff members expressed their view points that the SFCs cannot be managed with 40% reduction in Course Fees.

The house unanimously resolved:

**Addendum to the Resolutions of Staff Council Meeting held in the Conference
Hall of the College at 2.30 PM on 07.01.2021 vide Principal's Notice No. 58,
Dt.07.01.2021**

Justification / rationale behind reduction in Course Fees of 4-Year Int. B.Ed. (Science & Arts) by 40% exclusively for the students to be re-admitted for the current Academic Session 2021 in view of COVID-19 Pandemic crisis and financial constraints faced by the students.

- (a) The intake capacity of 4-Year Int. B. Ed. (Science & Arts) per annum is 400.
- (b) Int. B. Ed. (Science & Arts) students of 1st Year, 2nd year & 3rd Year being imparted teaching in respect of Core Papers by various Departments having Regular and Guest Faculties receiving their Salary / Remuneration from Higher Education Department, Govt. of Odisha.
- (c) Int. B. Ed. (Science & Arts) students being imparted teaching in respect of B. Ed. related Papers from 1st Year to 3rd Year and exclusively Methodology Papers in 4th Year by Guest Faculties engaged and paid out of Int. B.Ed. (SFC) Fund.
- (d) Since the Course Fees is Rs.35,000/- per student per Admission Batch, after 40% reduction of Course Fees the Re-admitted students will pay Course fees @ Rs.21,000/- exclusively for current Academic Session 2020-21.
- (e) The balance position of Int. B.Ed. is sound for which Coordinator of Int. B.Ed. expressed his consent for sound financial management for the current Academic Session with reduced Course Fees.
