6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Semester pattern of Examination was introduced during 200607 for which previous UG PG Syllabi were modified in conformity with UGC module curriculum which continued up to 201415 for UG and 201718 for PG. Choice Based Credit System (CBCS) Syllabi have been introduced at UG level from the Academic Session 201516. At PG level (CBCS) Syllabi have been introduced from the Academic Session 201819. During the current Academic Session State Higher Education Council, Govt. of Odisha has drafted the model curriculum based on CBCS for UG level which has been approved by Higher Education Department Govt. of Odisha and respective affiliating University and implemented at UG level. Model Syllabus of CBCS drafted by Odisha State Higher Education Council has been implemented by our College from the Academic Session 201920 by the Directives of Higher Education Department, Govt. of Odisha.
Teaching and Learning	For the effective implementation of Choice Based Credit System (CBCS) Syllabi for both UG and PG classes requisite no. of Books have been procured out of RUSA Grant and State Govt. Grant to enable the teaching staff and students to be amenable for application of the concerned Syllabi. Teaching staff have under gone Faculty Development Programmes (Orientation and Refresher Course) conducted by various Universities for imparting training to the Faculty members to enable them to be competent enough for imparting class room teaching and organizing Departmental and UGC Funded Seminars.
Examination and Evaluation	Traditional Examination system has been replaced by Semester system of Examination since the Academic Session 200607. To ensure transparency in the mod of question paper setting, paper setting being done by External teachers having competency in the subject

	matters. For the purpose of transparency in the valuation process coding of the answer scripts being done. 50 of the total answer scripts are being evaluated by External Examiners. Publication of result of final Semester for both UG and PG being done within 45 days of the last date of Examination. Tabulation of Final Result for both UG PG being done by External Firms i.e. outside Baripada Town to maintain transparency in the publication of the result.
Research and Development	For the purpose of NAAC Gradation and extension of Autonomy, Research Publications by the Faculty members are required to be placed before NAAC Peer Team and joint Expert Committee of UGC. Besides, for career development of the faculty members Research work i.e. undergoing M.Phil and Ph. D. Programme, Orientation and Refresher Course, Publication of Research papers in UGC listed referred Journals, presentation of Research papers in National and International Conference are highly imperative. Besides, for under taking research projects sponsored by UGC, ICSSR and DST, impetus being provided to the Faculty members for submitting application to the appropriate authorities for necessary approval.
Library, ICT and Physical Infrastructure / Instrumentation	For improving quality Education through the implementation of CBCS syllabi original authoritative Books as prescribed in the concerned subject syllabus in each paper, latest edition books have been procured out of RUSA Grant 201516, Autonomy Grant 201516, RUSA Grant 201718 and State Govt. Grant. For imparting quality education through information, communication and technology, Computer Desktop, Laptop, LCD Projectors, Smart Boards and Multi Utility Devices have been procured out of RUSA Grant, 201516 and 201718 which will be conducive for not only for class room teaching but also for Seminars and Conference deliberations / Power Point Presentations by the students / Faculty members / Resource Persons. To cater the expanding needs of the students adequate infrastructure have been erected out of State Govt. Grant and RUSA Grant to facilitate class room teaching and Laboratory facility.

Human Resource Management	In view of chronic shortage of teaching staff of the college, Principal of the college has been authorized by Higher Education Department, Govt. of Odisha to advertise each year the engagement of Guest faculty through WalkInInterview which is being conducted by subject experts and subject to merit list and requirement of the concerned Departments as per work load, Guest Faculties are being engaged in each Department of the college to facilitate smooth engagement of classes. As part of Human Resource Management to cater the deficiency of nonteaching staff of the college, Data Entry operators are being engaged through WalkInInterview pursuing the same modalities as that of Guest faculties.
Industry Interaction / Collaboration	In case of our College, collaboration scope with Industry / Company is inelastic since District of Mayurbhanj is no Industry category having no large scale Industry in this District. However, selffinancing department viz. Industrial chemistry, BioChemistry, Microbiology and Diploma in Tourism and Hospitality Management (DTHM) under Community College scheme of UGC are having collaboration with Bhubaneswar best Company / Industry / Hotels for conducting training programmes of their students and employment perspectives.
Admission of Students	Since the Academic Session, 2009 10 Student Academic Management System (SAMS) has been introduced by Higher Education Department Govt. of Odisha (eAdmission) to ensure transparency in the mode of admission at UG level. M.P.C. Autonomous College is the Nodal Centre organizing training programmes each year inviting all the SAMS Research Centre (SRC) of Mayurbhanj District. Student enrolment has significantly increased after the implementation of eAdmission process. Present day students are being Computer skilled for submission of Common Application Forms (CAF) through online by using internet browsing facility. Efforts are being made to transmit manual PG admission to online admission with effect from Academic Session, 202021.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Maharaja Puma Chandra Autonomous College is one of the premier institute of Higher Education in Odisha. The College was set up in the postindependent India way back in July, 1948, during the rule of the popular ministry, with Sri Sarat Chandra Das as the Prime Minister and Maharaja Sri Pratap Chandra Bhanj Deo as the ruling chief of the State of Mayurbhanj. Christened after the Late Maharaja Purna Chandra Bhanj Deo who, in his life time, was a great patron of literature and culture, the fledgling college lived, moved and had its beginning on the premises of Maharaja Krushna Chandra High School for a pretty long time. Afterwards, it was felt that the continuance of the College in the M.K.C. High School complex was neither desirable nor convenient. With the number of students shooting up every year a great demand was felt for a permanent site. The College considered whether 'to be or not to be' a guest of the solitude offered to it by Chhancha village on the one hand and Takhatpur on the other. Having at last rejected both these uptown rural locations it stepped with a bang in the early sixties into the Maharaja's palace which had earlier been purchased by the Government of Odisha in 1956.Unlike the sages of yore who chose to teach their pupils in the verdant ambience of nature, the College nurtured its students amidst the very din and bustle of Baripada town itself like Socrates, the eminent philosopher, educating the young in the crowded market place of Athens. But Nature will not let the College alone. The Budhabalanga, purling. Melodiously, time and again goads and guides the students to shed their inertia and be forever intellectually on the move like

the flow of its waters. In 1948 the College secured affiliation to Utkal University in Intermediate Arts and Science with a sanctioned strength of 112 and 08 students respectively. The B.A. (Pass) class with a sanctioned strength of 48 students, was opened in the session 194950. The courses offered were English, Odia, Economics and Mathematics to which History was added in 195859. Honours courses in Economics, Political Science and English were introduced in 1961, 1963 and 1965 respectively and Odia and Philosophy in 1967.Honours in Sanskrit was offered in 197879. The B.Sc. course with Physics, Chemistry and Mathematics as Pass and Honours were started in 196061 to which Botany and Zoology were added in 1966. Honours courses in Physics and Chemistry were offered in 1967 and 1968 respectively and Botany and Zoology in 1972. So far as the Commerce faculty is concerned, affiliation at the then PreUniversity level was made available in 1965.To this first year Degree in Commerce was added in 1966 and B.Com. (Pass) in 1967. Honours in Commerce was introduced in 197475. Provision of Post Graduate teaching in Commerce and History got started with effect from 197980 and 198384 respectively. PostGraduate teaching in Economics, Philosophy and Chemistry started during the session 199091. Post Graduate teaching in Physics, Political Science and Oriya commenced from 199293. Subsequently PostGraduate teaching was also introduced in Zoology, Botany and English. New subjects like Statistics, Geography, Geology, Sociology, Secretarial Practice and Photography were started between 1981 and 1983. Geography as an optional subject was introduced at 3 level in 199293. In the next session Sociology was introduced. Several vocational subjects were introduced in 199495. These are (a) Sericulture for 3 Sc. (b) Communicative English for 3 Arts and (c) Office Management and Secretarial Practice for 3 Commerce. This continual opening of course offerings has drawn numerous students into the fold of the College from all over and outside the State. When Utkal University was divided into the three universities, the North Orissa University was established in 1999 and M.P.C. College was affiliated to it. All the examinations were conducted by the North Orissa University for the session 19992000 and 2000200 1. M.P.C. College was declared 'Autonomous' by the UGC, New Delhi. But because of some unavoidable reasons the college could not hold its independent examinations for the session 2000200I. Real academic autonomy started from 20012002 with an independent Entranceexamination based on selection procedure, independent courses of study and independent examination procedure for the 3 First Year students and 5th year P.G. Students. M.P.C. Autonomous College was shifted from the old Maharaja's Palace to its new College complex at Takhatpur in summer 2001. The College started functioning in the new complex from 08062001. According to the directive of the Department of Higher Education, Government of Odisha, Bhubaneswar, the M.P.C Morning College merged with the M.P.C Autonomous College. The 2 Streams in Arts, Science and Commerce of M .P.C Autonomous College and M.P.C. Morning College along with the 2 Stream in Arts of Government Women's College combindly constituted the M.P.C Junior College and is housed in the old building. M.P.C Autonomous College provides teaching at Under Graduate and PostGraduate levels. P.G teaching facilities in subjects such as Physics, Chemistry, Botany, Zoology and Economics were transferred from the MPC Autonomous College and were attached to North Odisha University in the year June 2001. At present there are ten P.G Departments namely Odia, English, History, Political Science, Philosophy, Hindi, Santali, Sanskrit, Geography and Commerce.
